

Oath Regarding Tests and Examinations

I confirm and attest on my honor to uphold the confidentiality and integrity of examinations offered by the Society of Financial Examiners. As an applicant for or taking such examinations, I shall not, by act or omission, in any way cheat or use unauthorized materials in my study or preparation for such examinations or in my completing such examinations. I shall not obtain or use grader's guides, answer keys or copies of tests prior to or in preparation for taking an examination, nor shall I use grader's guides, answer keys or any unauthorized material during an examination.

I certify and affirm that I will complete each such examination honestly and without assistance from any other person or unauthorized source.

I shall not, directly or indirectly, by act or omission, compromise or assist any other member or other person in compromising the honesty, security or integrity of an examination, preparation or study for an examination, completion of the examination, or of the administration, grading, supervising, proctoring or processing of any examination, or of the distribution or control of any material relating to an examination.

I agree to abide by all procedures of the Examinations Committee or other committees of the Society relating to examinations.

I understand that if I, by act or omission, cause or assist in causing the compromise of any test or examination, I may be subject to appropriate disciplinary action by the Society, which may include membership suspension or expulsion. If the Society finds that I have caused or assisted in causing the compromise of any test or examination, I understand and agree that I may be held liable to the Society for any monetary losses the Society may incur as a result of my compromise.
